To Our Patrons ===

THE publisher, in issuing this Directory of the town of Batavia, desires to thank those persons who have aided him in various ways, especially advertisers and subscribers, in making it a success. He has endeavored, in every possible manner, to make the work correct in every sense of the word. It is possible, however, that here and there an error has crept in, and escaped the watchful eye of the proofreader; but when the readers of this work take into consideration the large number of names, with their addresses, he feels assured that their criticisms will be to the effect that the book is as free from errors as is possible. At any rate, it is hoped that the business public, in whose interest the work has been issued, will be as charitable in their verdict as they have been generous in the bestowal of their patronage.

EDWARD F. SHORT,
Publisher.

Sanitary Plumbing

IF YOU are about to build or remodel, investigate thoroughly the Plumbing Fixtures and the workman who installs them.

Insist on the best only—even though they may cost a little more, as it will pay in the long run. Sanitation in the modern home should not stop at efficiency alone. Artistic appearance is an important consideration.

A Smile Maker

is a nice, big Porterhouse Steak cut from our Prime Beef. No town in America has a larger proportion of good cooks than Batavia. We are helping them to win praise by keeping them posted on the best cuts of meats. Now, for Sunday, we suggest a Prime Rib Roast, fixed for baking and your table. Our meats are tender and juicy, selected from choice young stock and from packers of high reputation. Our prices are low enough to please.
